Re: Letter of Reference for Heritage Restoration Inc.

To Whom it May Concern,

We are writing to provide confirmation of our recommendation to prospective clients of Heritage Restoration Inc. (HRI). HRI is on our preferred bidders list for structural rehabilitation, exterior wall/heritage restoration and a variety of general contracting activities, including site work.

In our opinion, HRI has capability and capacity to take on restoration projects of all shapes and sizes. Their team is professional, diligent and knowledgeable. They perform at or above industry standards and our specifications. They have proven that they have the ability to deliver consistent performance on projects of varying types and complexities.

We do not hesitate recommending Heritage Restoration Inc. to any owner requiring building restoration services. Please feel free to call me at the number below to discuss specific aspects of HRI's performance.

Yours truly,
Sense Engineering Ltd.
